IBAPE	Improving Access to Basic Primary Education

## **ACKNOWLEDGEMENTS**

Management of NEMACY-UGANDA extends sincere gratitude to the following different stakeholders for the support (technical, moral & financial) offered in the year 2014;

The Development Partner Terre Des Hommes Netherlands for the technical and timely financial support towards implementation of the Network's activities. Appreciations go to the Regional office in Nairobi - Kenya particularly the Regional Director Mr. Steve Morgan and the Kampala-Uganda office especially the Country Manager Mrs. Elizabeth Ddungu, for the moral and technical guidance rendered.

To the members of the network, many thanks for the active participation in all activities of the Network and other related events that were geared towards supporting children / youths.

The Political leadership both at Jinja Municipal Council and District levels and all other levels, thanks for the political support and conducive environment exhibited to the Network. Thanks go especially to the office of the RDC Jinja District, Vice- Chairperson LC.V Jinja District and the technical officers especially the office of the Chief Administrative Officer (CAO), Department of Education both at Municipal and District level, for the support rendered during implementation of the IBAPE Project and Quarterly Advocacy Meetings formerly known as NGO/Security meetings, Jinja Central Police (CFPU); for the support rendered during trainings / field trips / outreaches and arrest of child abusers, the office of Probation and Social Welfare and Community Development, for the careful and continued management of referrals of children and babies.

The media fraternity; both print and electronic, for the timely publication of child related matters which increased awareness about issues of young people (children / youths) within the general public in Busoga Sub-region and indeed in the entire country.

Last but not least, members of staff, volunteers and Student Interns for the timely implementation of activities and the positive change thereon created. Above all, the Almighty God without whose hand of providence the Network would have found it increasingly hard to register the successes it did in 2014.

## **EXECUTIVE SUMMARY / MESSAGE FROM THE CEO**

In 2014 the organization made scores on her strategic objectives as highlighted on in the proceeding sections but the most outstanding one is that it made changes on the face of Primary Education through construction of three teacher houses and two classroom blocks. The report is presented into sections of; Executive Summary / Message from the CEO, NEMACY-UGANDA at background level, NEMACY-UGANDA at Governance and Management level, NEMACY-UGANDA at Program and Activity level versus strategic objectives, Finances, General Challenges, Future plans, Recommendations and Conclusion.

The year 2014 was not void of some challenges like in the previous years. But because of the strong commitment from the staff members / volunteers, Executive Committee and Board of Trustees, Local stakeholders / partners, Strong membership and most importantly the financial support from Terre Des Hommes Netherlands and other members' Development partners, the Network managed to mitigate and made a close in to her Strategic Choices, Mission and Vision.

In 2014 NEMACY-UGANDA run Programs /Projects on; child protection, rehabilitation, Grannies, Early Childhood Development Centres, Education and Micro – Credit as further summarized ahead in the report.

## **1.0 NEMACY –UGANDA AT BACKGROUND LEVEL [WHO IS NEMACY-UGANDA]**

NEMACY-UGANDA formerly Jinja Network for the marginalized Child and Youth (JINNET) is a membership organization consisting of Non Governmental Organizations (NGOs), Community Based Organizations (CBOs), Child Rights Advocates (CRAs) and with close formal Partnerships with Government Departments e.g. Child and Family Protection Unit of Jinja Central Police, Probation and Social Welfare office and Community Development offices. It was founded in 2001 by Rev Fr Kees Groenwoud, Tim Malcomson, Mr. Ben Kulaba, Mr. Jimmy Obbo Ivans and Mr. Everest Maraka among others as a response to harmonize the different interventions for promoting Children/Youths welfare fronted by Civil Society Organizations in Jinja District and Jinja Municipal Authorities. NEMACY-UGANDA currently has 31 members whose core mandate is promoting the welfare of children / youths.

NEMACY-Uganda **envisions** a society that respects the rights of young people and supports them to achieve their full potential and **exists** to coordinate interventions of members to deliver services to the marginalized children and youths through Research, Advocacy and Capacity enhancement.

### **1.1 Strategic objectives of NEMACY -UGANDA**

- ✚ To strengthen capacity of members to effectively provide services to vulnerable children and youth groups.
- ✚ To empower youth groups with economic resources to reduce household poverty.
- ✚ To conduct research initiatives, collect and disseminate information pertinent to children and youths rights issues.
- ✚ To influence policy making processes to be responsive to the needs of children and youths.
- ✚ To strengthen NEMACY-UGANDA’s organizational capacity to effectively and efficiently achieve her mandate.

### **1.2 Strong Points of NEMACY –UGANDA**

- The Network has; a well informed Strategic Plan running for 2011/12 – 2015 /2016, aStrong staff consisting of persons that have undertaken trainings in project planning and management, monitoring and evaluation, human resource management, child protection, among others and with vast experience in child related matters. Besides, it has a functional Executive Committee and a Board of Trustees with wealth of knowledge and counsel in Project design, implementation and management, and children issues as well. All those management levels offer checks and balances for smooth and healthy implementation of projects.
- Availability of a physical address hosting both the Secretariat offices and the Rehabilitation Centre (Kaluba Road, Plots; 7, 9, 11 & 13 –Mpumudde), Internal

control systems e.g. Policies on Finance, Child protection, Monitoring & Evaluations systems among many others.

- Availability of a Resource Centre equipped with a wide scope of information on issues of children and other areas. This as well enhances research activities into child related matters.
- The Network has a Rehabilitation centre for Children who are found on Street unaccompanied, exploited and other categories of vulnerable children.
- The high levels of Organization Visibility earned through running of the Radio program, monthly online newsletters and the annual newsletter called “The Voice”; these are strong tools that enhance information sharing and dissemination for purposes of advocacy. Specifically the radio program yielded overwhelming demand for NEMACY-UGANDA services far beyond Jinja District and as well increased her visibility as established through her Child Helpline (0776-131414 / 0754-131414) and field visits.
- A strong and physical presence / representation in Busoga Sub-region through her members who are presently 31 which include; NGOs, CBOs, CRAs, Individual Member and Government Departments. It is through the members and other partners that the network was able to produce the advocacy and networking interventions for exploited children. Themembers of the Network include; Busoga Youth Development Support Association (BUYODESA), Support and Love Via Education-International (SALVE International), Phoebe Education Fund for AIDS Orphans and Vulnerable Children (PEFO), African Network for Prevention and Protection of Children against Abuse and Neglect (ANPPCAN) Jinja branch, Child Restoration Outreach (CRO) Jinja, Adolescent Development Support Network (ADSN), Jinja Area Communities Federation (JIACOFE) an affiliate of Child Fund International, Foundation for Child Empowerment and Advocacy (FOCEA), Women Rights Initiative (WORDI), Emmanuella Centre for Children with Disabilities, Kimasa Community Initiative (KCI), TOFTA Education Trust, Uganda Parents of Persons with Intellectual Disabilities (UPIDI) Jinja branch, Children of Grace (COG), Health Child, Chain of Love Support Organization, Office of the Community Development Officer-JMC, Office of the Resident District Commissioner, Office of the Child and Family Protection Unit-CPS Jinja, Office of the Probation and Social Welfare, Office of the Deputy Mayor-JMC, Jinja Municipal Councilors, Child Rights Advocates-Mpumudde-Kimaka, Walukuba-Masese&Jinja Central Divisions, Office of the Vice Chairperson LC V, Human Rights and Environment Concerns Activists Organization – HURECA, Child Friendly Organization (CFO)- Busedde and Anti Domestic Coalition (ADOVIC).

## **2.0 NEMACY-UGANDA AT GOVERNANCE AND MANAGEMENT LEVEL**

NEMACY-UGANDA is governed by an Annual General assembly composed of members of the Network, has a Board of Trustees that plays a mediatory role and holding in trust the network’s property and it’s composed of; Mr. Jimmy Obbo Ivans, Mr. Ben Kulaba, Rev Fr Kees Groenwoud, Mr. Everest Maraka and Mr. Tim Malcolm, has an Executive committee / Board that provides the Network with the strategic direction, it

consists of eight (8) members who included the following before the elections held in December 2014; Mr. Everest Maraka- Chairperson, Ms. Rose Kigere- Vice chairperson, Mrs. Josephine Okello -Treasurer, Mr. Kenneth Massa – Publicity Secretary, Mr. Patrick Balikweya, Mr. Godfrey Muzusa and Mr. Kent Kitimbo as committee members and the Head of the secretariat [Chief Executive Officer] as the General Secretary. After the elections the Executive Committee composed of; Mr. Everest Maraka- Chairperson, Ms Rose Kigere- Vice chairperson, Mr. Kenneth Massa -Treasurer, Mr. Patrick Balikweya- Publicity Secretary, Mr. Mike Asiya& Ms. Sarah Nsaja as committee members plus the Head of the secretariat [Chief Executive Officer] as the General Secretary

The operations of the secretariat were made possible in 2014 by a team of ten (10) people; Mr. Willy Felix Ngobi- The Team Leader (CEO), Mr. Ezekiel Mutete, Program Officer Research, Monitoring and Evaluation, Mr. Peter Muwanga –Accountant, Ms. Catherine Namuwaya who later resigned in September and was replaced by RachealNangobi – Program Officer Psychosocial support, Pastor. Paul Batambuze, Program Officer IBAPE, Ms Betty OmesseAlwido- Cashier / Administrative Assistant, Ms Joan Nekesa House mother NEMACY-UGANDA Rehabilitation Centre, Ms Susan Keddie Winnie Assistant House Mother, and one Volunteer Ms. Patricia Mukoda.

### **3.0 NEMACY-UGANDA AT PROGRAM AND ACTIVITY LEVEL [WHAT WAS DONE IN 2014] VERSUS STRATEGIC OBJECTIVES**

1. To strengthen capacity of members to effectively provide services to vulnerable children and youth groups.
2. To empower youth groups with economic resources to reduce household poverty.
3. To conduct research initiatives, collect and disseminate information pertinent to children and youths rights issues.
4. To influence policy making processes to be responsive to the needs of children and youths.
5. To strengthen NEMACY-UGANDA’s organizational capacity to effectively and efficiently achieve her mandate.

The aforementioned strategic objectives of the Network were scored upon as summarized ahead under the Child Protection, Improving Access to Basic Primary Education and Rehabilitation Project as detailed ahead. And the Projects of the members of the Network e.g. Grannies, Direct Education support, Street Children Rehabilitation, Micro-Credit and Early Childhood Development Centres (ECDs).

#### **Strategic objective / Result One:**

**Capacities of members to effectively provide services to vulnerable children and youth groups strengthened.**

1.1 **The Resource Centre** was equipped with National News papers i.e. New vision and Daily Monitor, latest literature and Researches on children. This was aimed at enabling members of

the Network and other stakeholders to have up to date information on issues of children around the Country and beyond. On a monthly basis twenty two (22) clients, (13female: 9 male), used the resource centre for the period January- December 2013. However the number of resource centre users declined compared to past years as a result of change of office location from Jinja Town to Mpumudde where few people had noticed the availability of the Resource centre facility. Nonetheless marketing of the facility was done and gradually numbers of its users' are picking up. And interestingly some are asking for internet services because in Mpumudde they are not readily available, hence management is fundraising for possibilities of installing Internet services in the Resource Centre.

**1.2 News magazine.** The sixth edition of the Voice 2014, a news magazine used for advocacy purposes and enhancing members' capacities in mounting advocacy on child concerns was compiled, produced and circulated among partners and other stakeholders. This is one of the advocacy tools that the Network uses to make the plight of children / youths in Jinja – Busoga and beyond publicly known to various stakeholders and as such action is devised. The News magazine was exploited by all members of the Network to share about their activities and projects plus make gains in matters of advocacy for a child.

**1.3 Radio meetings.** Twelve (12) monthly and four (4) Quarterly radio planning meetings were held. Members of the network used the meetings to enrich their knowledge on radio programming and select topical issues for discussion on air of the Radio partner BasogaBaino BABA 87.7 Fm. The radio meetings caused hosting of re-known child rights advocates e.g. Mr. Martin Kiiza Secretary General of National Council for Children and guaranteed quality of whatever was discussed on air. It is estimated basing on the callers in, sms and feedback in community that the Network reached through radio campaigns (talk shows) over 1,000,000 people with child rights messages in 2014.

**1.4 Inspection of Schools.** The network partnered with the Inspection Departments at Jinja Municipal Council and Jinja District and over 80% of the UPE Schools in the two administrative units were inspected. The head teachers of the schools reported that the Inspections were more of supportive instead of supervisory hence resulting in improving on the gaps identified by the Inspectors.

**1.5 NEMACY UGANDA** partnered with Jinja District Local Government and Jinja Municipal Council and had four (4) teachers' houses; two in one design and two classroom blocks constructed in five primary schools under UPE in Jinja District. Under the partnership, 16 target schools had their learning environment changed and made attractive. Through installation of play equipment for children, hand washing facilities at VIP Latrines, First Aid Boxes equipped with drugs and 200 teachers undertaken through refresher trainings. As a consequent of the changes the network had made in schools, besides improving pupil retention & passing and teacher attendance, Jinja District Local Government felt challenged and it also embarked on construction, whereby it constructed some VIP Latrines in 14 Schools and Teachers house in three schools.

## **Strategic objective / Result two.**

### **Youth groups empowered with economic resources to reduce household poverty.**

**2.1** Over 200 Young people were supported with financial capital to set up small businesses. This was made possible through two of the Network members i.e. Salve International and

WORl. Where young people were supported through the “Village Savings Groups’ and linked to Micro- Finance Support Centre of Uganda to access small credit.

- 2.2 600 young people in three Subcounties of Mafubira, Buwenge Rural and Butagaya were trained through community field trips in child protection, book keeping, financial management and Entrepreneurship skills. About 60% of the trained young people have set small businesses.

### **Strategic Objective / Result Three.**

#### **Research initiatives conducted and information pertinent to children and youths rights issues disseminated.**

- 3.1 **Research.**The network through her member Salve International conducted a Research into Street Child Challenge in Jinja. The Research investigated the push, pull and retainer factors that play in the life styles of children on street popularly known as ‘Street Children’. The Study revealed that some of the children remain trapped on the streets because of the handouts that they receive from people while on streets e.g. cloths, money and other gifts in appreciation for example of assisting someone to dump garbage, mop a shop among others. The findings have aided the Network to address the challenge of Street Children in Jinja with a scientific understanding of it and to some extent it’s being managed to reasonable success.
- 3.2 **Feeding of Pupils in UPE Schools** while at School. The Network investigated the magnitude of the problem of children not feeding while at school. The findings indicated that over 50% of the pupils in the UPE schools in Jinja District go without a meal while at school. And the few that have a meal it is a cup of porridge with and sometimes without sugar. The findings show that parents still think that it’s Government’s role to feed the pupils while at School. The second biggest challenge is food insecurity in many homes because most of the land is used to grow sugar canes. Therefore even if parents wanted to give food to their pupils while at school the food is not enough in the homes. The shocking findings pushed the Network to begin mobilizing parents towards provision of midday meals to pupils while at school and sparing some reasonable piece of land for food production.

### **Strategic Objective / Result Four.**

#### **Policy making processes influenced to be responsive to the needs of children and youths.**

- 4.1 Quarterly Advocacy meetings formerly known as (NGO / Security meetings).The Network organized and held Quarterly advocacy meetings in partnership with Jinja District Local Government and Jinja Municipal Council. Four (4) meetings were held and they were chaired by the RDC Jinja Mr. Richard Gulume and the Deputy RDC Mr. Eric Sakwa. The meetings were attended by all NGOs / CBOs in Jinja that address concerns of children, Jinja Central Police (Child and Family Protection Unit), Probation and Social Welfare Office, Community Development and Education Department of Jinja District and Jinja Municipal Council Local Governments. The meetings resulted into Jinja Central Police checking every vehicle to crack down on the vice of child trafficking which was reported to be increasing in Jinja District, stopping of boda-boda cyclists to carry many children on motorcycles during reporting to school in mornings, and many other outcomes.

- 4.5 The organization held two press conferences to bring to the attention of different policy makers the plight of child abuse as received on her child helpline(+256 776 131414 / +256 754 1314141) from January to December, 2014. The press conferences were attended by all the local radio stations in Jinja Town, New vision and Daily monitor news paper journalists, leaders in the District e.g. the Resident District Commissioner Mr. Richard Gulume, the Jinja District LC.V. Vice Chairperson Mr. Paul Balidawa among others. The policy makers present appealed to offenders of child rights to stop and cautioned anybody denying a child a right to education and harboring intentions of marrying off girls under 18 years to desist from the practice

#### **Strategic objective / Result Five**

#### **NEMACY-UGANDA's organizational capacity strengthened to effectively and efficiently achieve her mandate.**

- 5.1 The network held a number of meetings to ensure her capacities are in line with realizing the set strategic plan. The meetings included; staff weekly planning and assessment meetings, staff Bi-Quarterly meetings, Executive Committee Meetings and Annual General Meetings. The meetings resulted into Development of Projects and action plans of implementation, drafting and passing of policies e.g. the Human Resource Policy, Board Manual and others, Vetting and approving of new members in the Network, appointing of Auditors and Auditing of Network's books of accounts.

#### **4.0 PROJECT: NEMACY UGANDA REHABILITATION CENTRE**

NEMACY-Uganda has a Rehabilitation centre known as NEMACY-UGANDA Rehabilitation Centre located on plots; 7, 9, 11 and 13 Kaluba Road Mpumudde Division, Jinja Municipal Council - Jinja District. It offers rehabilitation services to former children on street, abandoned children and children abused in various ways e.g. defiled. The centre rehabilitates children for a period of at least three months thereafter NEMACY's partners in rehabilitation do home tracing and eventually reintegrate children with their parents – communities.

#### **4.1 Activities implemented and Achievements**

120 children; 95 Boys and 25 Girls were sheltered at the Centre from January to December 2014. 96 children; 80 Boys and 16 Girls were reintegrated with their families and majority resumed school. While 10 children all boys dropped out. By 31<sup>st</sup> December 2014, 14 Children; 11 boys and 4 Girls were still under rehabilitation. The successes made were all possible out of the memorandum of understanding the network has with her members like CRO-Jinja, SALVE International, ANPPCAN – Jinja, Child & Family Protection Unit of Jinja Central Police and, Probation and Social Welfare Office of Jinja District, to identify, refer, rehabilitate, resettle / reintegrate children found on streets, abused and other categories of vulnerable children.

## 5.0 FINANCES

Here below is a summary of the financial inflow to the Network both at Secretariat level and within the members.

Income		Source(Development Partner)	Program / Project
<b>Secretariat</b>	UGX.140,688,839	Terres des hommes Netherlands	Child protection
	Secretariat UGX. 422,824,354	Terres des hommes Netherlands	Improving Access to Basic primary Education
	UGX. 2,501,000	Other Partner contributions	Partner contribution expense
<b>Members of the Network</b>	Ugx4.5 Billion	<ul style="list-style-type: none"> <li>• Steve Louis Foundation</li> <li>• Oak Foundation</li> <li>• Ford Foundation</li> <li>• Individual American Business people.</li> <li>• Street Child Africa</li> <li>• Edukans</li> </ul>	<ol style="list-style-type: none"> <li>1. Child protection</li> <li>2. Education</li> <li>3. Rehabilitation</li> <li>4. Early Child Development</li> <li>5. Micro- Credit</li> <li>6. Housing for Grannies</li> </ol>
<b>Grand Total</b>	<b>5,066,014,193</b>		

## 6.0 GENERAL CHALLENGES

- ❖ The narrowing space for accessing resources especially financial to fully operationalise the Annual plans and Budgets and the Strategic Plans, amidst overwhelming demand for NEMACY-UGANDA interventions far beyond Jinja District - Busoga Region continued to be a challenge to the Network.
- ❖ The ever increasing child abuse incidences within homes, communities e.g. markets.
- ❖ Court delays in concluding child abuse related cases which reach the courts of law coupled with incomplete operationalization of Children's Courts in all the major towns / Districts of Uganda.

## 7.0 GENERAL FUTURE PLANS AND RECOMMENDATIONS

- ✚ Aggressive fundraising both locally and internationally so as implement the 2011/12-2015/16 strategic plan.

- ✚ NEMACY-UGANDA scaling up her activity implementation to cover all the Districts in Busogaand beyond.
- ✚ Implementing the structural development plan which shall host both the Secretariat offices and Rehabilitation activities.
- ✚ Continuous lobbying of Government to fully operationalize Children Courts up to Sub-County Level, and for the Development partners to support this cause.

## **8.0 CONCLUDING REMARKS**

NEMACY -UGANDA through her committed and competent Staff, Boards, Member organizations and Government departments, Development Partners and other stakeholders managed to put her objectives to another level. In a special way lots of thanks go to the Development partners, staff, Boards, Stakeholders and Beneficiaries, and above all God /Allah.
